"24 Hours Greece" was first held in 1998 and it has built through time a unique legend and gained fanatical followers. On October 19 & 20 it will be organized for the 27th consecutive year and after 21 years it returns to Pelion, the Mountain of the Centaurs.

Eligible are ninety well prepared crews with historic cars that will start on Saturday 19 October at 11:00 from Chalkida heading for Paralia Pelasgias, where the first re-group will take place.

The special stages of Thessaly & Pelion will take the battle towards the city of Volos, where the traditional three-hour re-group of the "24 Hours of Greece" Rally and the finish of the "12 Hours of Greece" Trophy will take place. At midnight the floodlights will turn on and the special stages will continue towards mount Pelion, Almyros, Neraida, Anavra, Neos Palamas and Lamia for a final small rest. At daybreak, beloved the routes of Central Greece will bring the gladiators to the finish line in Chalkida. The price giving ceremony will take place on Monday, October 21 at 8 pm.

The "24 Hours of Greece" endurance regularity rally addresses to well-prepared crews, who want to experience a 24-hour adventure on the legendary routes of Greece. The race is held under FIVA regulations on remote roads open to traffic.

- All certified historic cars over 30 years are accepted, as well as "youngtimers" 20-29 years old. Safety devices (eg roll cage) are not required but acceptable.
- A racing license is not required, but a driving license for the driver, insurance for the car and roadside assistance are mandatory.
- The duration of the race from start to finish is 24 hours and in between there will be 2 one-hour stops as well as a three-hour regroup. The distance to be covered is 800 km and the participants will compete in approximately 20 special stages, with satellite timing, gps tracking & live results.
- Those who want to live this unique experience, but do not want to overestimate their powers, may compete in the Touring Trophy category & the "12 Hours of Greece"-Trophy. Slightly less mileage and selectively lower average speeds may be taken into consideration for this category.
- To carry out the special stages, sophisticated navigation instruments are not required, while a good odometer & a stopwatch are sufficient. All distance, time or navigation instruments are eligible! All distances, average hourly speeds and timing points of special routes are announced in advance.
- Special regulation and bulletins are published on the website www.sisa.gr

The closing date for entries is Thursday, 10 October, while the deadline for entries with a reduced fee ends on Thursday, 19 September. All info at www.sisa.gr
